The Tulseys awards celebration is the climax event of the 2009 Global Entrepreneurship Week. You will not want to miss this Academy Awards inspired event. As you may already know, Part-Time Pros put its name in for consideration for the 2009 Tulsa Entrepreneurial Spirit Award. The process began in April of 2009 and started off with 85 businesses. Through a challenging yet very educational vetting process the judges selected 25 businesses, then 12 businesses and then finally 7 businesses. We are thrilled to announce that Part-Time Pros made it to the final round. We could not have made it this far without the support of our clients and the hard work of our professionals and for that we are eternally grateful. The winner will be announced November 17th and we will certainly keep you posted.

In addition, we have been nominated as an **emerging** company for the 2009 Tulsey Award. The second annual Tulsey Awards recognizes the pioneers and innovators of the Tulsa community. All entrepreneurs that are included in the public voting process will automatically be entered into the Entrepreneur of the Year category. This award is given based on popular votes and it is with a humble request that I ask for your vote. So, if the spirit moves you and you feel like Part-Time Pros is a great emerging business will you please vote for Part-Time Pros. Here is the link to vote <http://www.thetulseys.com/> . Thank you in advance for your support of our business!

Sincerely,
